## **NEVER MISS A PAYMENT!**

## We offer many convenient electronic methods to pay your community's assessments! Read below to determine which is best for you.

Auto-Draft payments (ACH) are dependable, <u>simple and secure and free of charge</u>! - no more lost or delayed check payments! Once enrolled, CAMS will electronically withdraw funds from your bank account for assessment payments. Auto-Draft payments are processed automatically on the 10<sup>th</sup> of the month for assessments that are billed on the 1<sup>st</sup>.

- **GOOD NEWS:** The Auto-Draft amount will automatically update if your association's assessment amount should change in the future set it and forget it!
- If you wish to make changes or to un-enroll, any changes to Auto-Draft enrollment must be made in the portal (or in writing) and must be submitted at least 10 business days prior to the draft date to ensure compliance with banking regulations.

**3.** On the next page, scroll until you see your account(s). If there is bank account info under 'Bank Account' & 'Routing' the account is already enrolled. No further action is needed.

If the Bank information is blank, your account is not enrolled for Auto-Draft payments.

To enroll, the balance must be \$0.00. If your account has a balance, select 'One-Time Payment' and click on Electronic Payments where you can pay your outstanding balance prior to proceeding with your Auto-Draft enrollment, or you may submit the **Auto-Draft Enrollment with prior balance** <u>form</u> to authorize a one-time draft payment of the current balance AND enrollment for future payments on one form – STOP Here if you submit this form.

Enroll in Auto-Draft
If you are unable to enroll your account please go back to the Auto-Draft page and ensure you have a zero (0.00) balance. If not please make a one-time Echeck payment.

Assessments are always billed on the first of the month, however, your payment is drafted around the 10th of the month, therefore **we do not send billing statements** to owners who pay via Auto-Draft. You may view your account transactions and print a statement of your account when you log in to the Owner Portal at <a href="https://portal.camsmgt.com/">https://portal.camsmgt.com/</a>

In the event you need to cancel your automatic draft or change your banking information for automatic draft, we must be notified prior to the 1st day of the month of your Association's billing cycle. If your request was sent after the 1st of the month and we are unable to process your change before the draft on the 10th of the current month, your request will go into effect for the following month.

The draft amount will automatically update according to your Association's yearly budget. Set it and forget it!

If your property is sold, the Auto-Draft will automatically stop when we are contacted by the attorney to issue the resale disclosure forms. You will receive an email letting you know that a 'Closing Hold' has been placed on your account and that the settlement statement has been sent to the closing attorney therefore no further payments will be drafted, and no late fees will be charged.
